Subject: Dewey Burdock Uranium Aquifer Mining

To whom it may concern...

The proposed mining of uranium in treaty territory will do irreversible damage to the aquifers. We all know this. This will **hurt people** and **hurt the earth**. We all know this.

You have the power to protect people and the water. Please act honorably and help the people put an end to this.

Furthermore this is treaty land. This mining is illegal. Help us stand up for **our children's future**. Thank you.
